Allegation: The complainant, [REDACTED] alleges that on 10 April 2012 at 1330 hours at [REDACTED] while driving on Lawrence a male white subject wearing a security cap pulled up next to her in a gray Honda Pilot bearing an Illinois license plate of G989157 and flashed a Chicago Police Badge in an effort to get in front her. The complainant further related that while at a red traffic light, she noticed the male subject taking a picture of her license plate.

On 30 May 2012 at approximately 1655 hours, Investigating Sergeant contacted O.E.M.C. supervisor, WIDERSTROM, at 312-746-9888 to see if the complainant [REDACTED] contacted O.E.M.C. in reference to the above. After submitting [REDACTED] cellular phone number to WIDERSTROM, he verified that there was a call for service by the complainant that only gave her first name as [REDACTED] (attachment 7). In addition, Investigating Sergeant ran a Clear Data Warehouse Service Call Search (attachments 8) and learned that 1338 hours [REDACTED] called O.E.M.C. regarding "Reckless Driving." At 1345 hours beat 1624 was dispatched to the vicinity of Central Ave / Lawrence with a final disposition of no person found.

Statement Taken at: Bureau of Internal Affairs, 5<sup>th</sup> fl, Interview Room #1 [REDACTED]

Questioned by: Michael K. Parker, Sergeant, Star #1295

Typed by: Michael K. Parker, Sergeant, Star #1295

Date, Time: 06 June 2012 @ 1900 hours

PARKER: What is your full name, home address and telephone number?

PARKER: What is your age, date of birth, and driver's license number?  
[REDACTED]: 30 years old, [REDACTED] driver's license is with the officer in the lobby at the security desk.

PARKER: Are you giving this statement of your own free will and without the promise of exoneration or reward of any nature being given to you?  
[REDACTED]: Yes.

PARKER: Before we begin the formal question and answer statement, I am going to show you a document entitled Sworn Affidavit. Illinois law (50 ILCS 725/3.8) requires that anyone filing a complaint against a sworn peace officer must have the complaint supported by a sworn affidavit. According to Illinois law (735 ILCS 5/1-109), any person who files a false complaint may be subject to criminal charges or a civil suit. Have I explained why a Sworn Affidavit is required and the legal consequences under Illinois State Law?  
[REDACTED]: Yes

PARKER: Do you have any question regarding the Sworn Affidavit?  
[REDACTED]: No

PARKER: Briefly tell me what brought you into the Bureau of Internal Affairs today?  
[REDACTED]: I was on lunch from work and I went to Little Ceasers on Central and

be trying to pass me. When I looked over at him he appeared upset. Then he slowed down and got behind me. That's because of the cars that were parked on the right side of the street. I continued driving and as soon as there were no parked cars on the right, he sped up to the side of me and that's when he flashed his badge at me. And then he proceeded to get in front of me. We continued driving and when we got to the light at what I assumed to be Montrose then I took a picture of his license plate with my phone. And I did this because he had a baseball cap on that said security. He was in an unmarked car and it didn't have any type of government plate and because he flashed what appeared a Chicago Police badge he got out of the car at the red light and as soon as he started to take steps towards my car, the light turned green and I went around him on the right side of his vehicle and we proceeded down Central. When I got to Lawrence, I got into the turning lane to go left and then he pulled up behind me at the red light he took a picture of my license plate. The light turns green and then I got back into lane and continued down Central. He made a left and left and went down Lawrence.

PARKER: What was the license plate number of the vehicle involved?

PARKER: Did you notice any Chicago Police identifiers on the vehicle?  
No, a regular license plate, with a McGrath license plate frame.

PARKER: What was the date and time of the incident?  
It was in April I don't know the exact time, after 1pm

PARKER: Did you exit your vehicle at any time during this incident?  
No

PARKER: Can you describe the person, in detail, who exited the vehicle?  
He was a white male. He had a dark shirt on, a dark baseball cap that said security on it. And if I remember correctly he had white facial hair and white hair sticking out of his baseball cap.

PARKER: Did he follow you in his vehicle?  
Down Central but I'm not sure if he was following me intentionally.

PARKER: Would you be able to identify him in a photo array?  
I can try.

PARKER: Did you take any pictures with your cell phone?  
I took a picture of his license plate.

97  
98 PARKER: What was the traffic altercation about?  
99 CANTORE: I was driving northbound on Central, the center lane, the traffic  
100 northbound in front of me started to slow up. There were 4 or 5  
101 cars ahead of me and each of these 4 or 5 cars ahead of me moved  
102 over to the right hand lane to pass the white Cadillac which was  
103 moving approximately 5 to 10 mph. The 4 or 5 cars ahead me  
104 passed the white Cadillac from right and move back to the center  
105 lane. I did the same. At that point when I moved in front of the  
106 Cadillac, the Cadillac then pulled up to the left of me into  
107 oncoming traffic. The Cadillac came up next to me and was  
108 merging over pushing me to the right. However, I couldn't move  
109 to the right because there were parked cars to the right of me.  
110 her car was so close to me, I thought that she may have hit me.  
111 at that point, I had my badge in my star holder and I pulled it out  
112 and showed it to her through my driver's side widow. She was  
113 on her cell phone eating pizza and when I showed my star to her  
114 through my closed window, she gave me the middle finger.  
115 Because of oncoming traffic in the southbound lane, she then  
116 move back behind me. At that point I though she might have hit  
117 me. I stopped my car because I couldn't pull over to the right I  
118 exited my vehicle to check and see if I had any damage to my  
119 car and at that point when I was checking the damage on my car  
120 she then went around on the right. Seeing that I had no damage  
121 I got back in my car and proceeded northbound on Central. At the  
122 next light which was at Lawrence Ave I moved in to the left turn  
123 lane where the white Cadillac happen to be in the left turn lane in  
124 front of me. I was making the left turn to go to the post office.  
125 When the light turned green, the white Cadillac did not make a  
126 left, but instead cut to the right out of the left turn lane in front of  
127 the north bound vehicle and continued north on Central. I turned  
128 left and went on my way.  
129
